

Scientific Profile

General Specifications

Name: Abbas	Last Name: Shakeri Hossein Abad
Father's Name: Mohammad Reza	Date of Birth: 1958
Fax Number: 02144737552	E-mail Address: shakeri@atu.ac.ir
Phone Number: 22835065	Mobile Number: 09122187159

Educational Background

Degree	Date and Place of Graduation	Field of Study and Specialization
Bachelor's Degree	1985, Allameh Tabataba'i University	Economics
Master's Degree	1993, Tarbiat Modares University	Economics
PhD	2000, Shahid Beheshti University	Economics

Academic Ranks and Positions:

- Instructor: From 1994 to 2000
- Assistant Professor: From 2000 to 2004 (Rank 9 to 13)
- Associate Professor: From 2004 to 2008 (Rank 13 to 17)
- Professor: From 2009 to Present (Rank 17 to 40, with 6 incentive ranks)

List of Books, Articles, and Research Projects (Project Manager)

- Books:

Translated Book:

1. Bazile, Timmy & Cord, Louise ,(2010). Pro-Poor Growth .Translated by Shakeri, Abbas &Maleki, Amin.
2. Chiang, Alpha. (2008). Elements of dynamic optimization. Third Ed. Translated by Shakeri, Abbas & Ahrabi, Fereydoun. Allameh Tabataba'i University Press.
3. Branson, William H., (1995). Macroeconomic Theory and Policy .Translated by Shakeri, Abbas. 1st Ed. 1993, 25th Ed. 2021. Selected as Book of the Year of 1995 in Institute of Jihad Daneshgahi, Ney Publication. (Print run: 3000 copies per edition).
4. Walters, A.A. & P.R.G. Layard. Microeconomic Theory .Translated by Shakeri, Abbas. 1st Ed. 1998. Ney Publication. The book of the year translation of Islamic Republic of Iran in 2000, 14th Ed. 2021. (Average print run: 2500 copies per edition).

Authored Books:

1. Shakeri, Abbas .Microeconomics 2 .Ney Publication. 13th Ed. (2006–2019), 16th Ed. 2023. (Print run: 3000 copies per edition).
2. Shakeri, Abbas. Introduction to the Economy of Iran .Rafeh Publication. 1st Ed. 2016, third Ed. 2022. (Print run: 3300 copies). Winner of the First Rank at the International Farabi Festival in Economics in the year 2011.
3. Shakeri, Abbas .Macroeconomics 1 .Rafeh Publication. 1st Ed. 2008, 8th Ed. 2021. (Print run of 1st Ed.: 5000 copies; subsequent editions: 3300 copies; last two editions: 1800 and 1000 copies respectively).
4. Shakeri, Abbas .Macroeconomics 2 .Rafeh Publication. 1st Ed. 2008, 8th Ed. 2021. (Print run of 1st Ed.: 5000 copies; subsequent editions: 3300 copies).
5. Shakeri, Abbas. (2025). Economic historiography of Iran over the past six decades (1961–2021). Ney publication. First and second edition. 1-555.

Compiled Books:

1. Shakeri, Abbas. Investigating the Desired Exchange Rate Regime in the Iranian Economy. Tehran Chamber of Commerce, Industries, Mines and Agriculture, 2011.
2. Shakeri, Abbas. Changes in Liquidity Growth in the Iranian Economy (Trends and Causes). Islamic Parliament Research Center, 2008.
3. Shakeri, Abbas. Macroeconomic Issues. Rafeh Publication. 1st Edition 2010 and 3rd Edition 2021.

Taught Subjects – Bachelor’s Level

1. Macroeconomics (1) – Bachelor’s level: Approximately 80 courses at Allameh Tabataba’i University, Tehran.
2. Macroeconomics (2) – Bachelor’s level: Approximately 80 courses at Allameh Tabataba’i University, Tehran.
3. Microeconomics (2) – Bachelor’s level: Approximately 20 courses at Allameh Tabataba’i University, Tehran.
4. International Finance – Bachelor’s level: 3 courses at Allameh Tabataba’i University, Tehran.
5. Econometrics – Bachelor’s level: 2 courses at Allameh Tabataba’i University, Tehran.
6. Economic Systems – Bachelor’s level: 2 courses at Allameh Tabataba’i University, Tehran.
7. English for Economics (Specialized English) – Bachelor’s level: 2 courses at Allameh Tabataba’i University, Tehran.
8. Iran Economy – Bachelor’s level: 8 courses at Allameh Tabataba’i University, Tehran.

Taught Subjects – Master’s Level

1. Macroeconomics (1) – Master’s level: Approximately 20 courses at Allameh Tabataba’i University, Tehran.
2. Macroeconomics (2) – Master’s level: Approximately 20 courses at Allameh Tabataba’i University, Tehran.
3. Microeconomics (1) – Master’s level: Approximately 18 courses at Allameh Tabataba’i University, Tehran.
4. Monetary Economics – Master’s level: Approximately 10 courses at Allameh Tabataba’i University and Shahid Beheshti University, Tehran.
5. Microeconomics (2) – Master’s level: Approximately 15 courses at Allameh Tabataba’i University, Tehran.
6. Iran Economy – Master’s level: 6 courses at Allameh Tabataba’i University, Tehran.

Taught Subjects – PhD Level

1. Advanced Microeconomics (1) – PhD level: 8 courses at Allameh Tabataba’i University, Ferdowsi University of Mashhad, and Shahid Beheshti University, Tehran.
2. Advanced Microeconomics (2) – PhD level: 7 courses at Allameh Tabataba’i University, Ferdowsi University of Mashhad, and Shahid Beheshti University, Tehran.
3. Advanced Macroeconomics (1) – PhD level: 10 courses at Allameh Tabataba’i University, Tarbiat Modares University, and Shahid Beheshti University, Tehran.
4. Advanced Macroeconomics (2) – PhD level: 8 courses at Allameh Tabataba’i University, Tarbiat Modares University, and Shahid Beheshti University, Tehran.
5. Establishment of the Monetary Economics PhD program by Dr. Abbas Shakeri at Allameh Tabataba’i University, Tehran.
6. Advanced Monetary Economics (1) – PhD level: 10 courses at Allameh Tabataba’i University, Tehran.
7. Advanced Monetary Economics (2) – PhD level: 10 courses at Allameh Tabataba’i University, Tehran.

8. PhD Seminar in Monetary Economics: 4 courses.
9. Supervision of 40 PhD Theses and advising on dozens of other PhD Theses.
10. Supervision of 30 Master's dissertations and advising on dozens of other Master's dissertations.
11. International Finance – PhD level: 1 course.

Lectures at Conferences and Scientific Groups:

1. More than 50 lectures at national conferences regarding the country's economic problems and solutions.
2. More than 100 scientific lectures on the country's currency issues, redenomination of the national currency, monetary and banking system, management with a

development approach, and economics and futurology from 2012 to 2019 at the Humanities Department of The Academy of Sciences of the Islamic Republic of Iran, Economics Branch, and at the Academy level.

Executive Activities:

number	Activity Title
1	Head of the Faculty of Economics, Allameh Tabataba'i University (Two terms, approximately 10 years).
2	Advisor and collaborator with the Islamic Parliament Research Center.
3	Head of the Scientific Pole of "Iran's Economy and the Islamic-Iranian Progress Model" for 5 years.
4	Advisor to the Economic and Rural Development Institute of the Ministry of Jihad-e-Agriculture.
5	Advisor to the Minister of Commerce and the Price Supervision Organization (1997-2000).
6	Head of Pole 1 of the Decentralized Student Olympiad.
7	Scientific Secretary of 10 scientific conferences.
8	Head of Theoretical Economics Group, Faculty of Economics, Allameh Tabataba'i University (4 terms).
9	Designer of questions for the Master's Entrance Exam for 20 years and the PhD Entrance Exam for 8 years.

Membership in Academies and Scientific Poles:

1. Member of the Science and Technology Committee of The Academy of Sciences of the Islamic Republic of Iran (from 2017 to 2018).
2. Head of Pole 1 of the Decentralized Student Olympiad (2009 until present).
3. Head of the Scientific Pole of "Iran's Economy and the Islamic-Iranian Progress Model" for 5 years.
4. **Associate Member of The Academy of Sciences of the Islamic Republic of Iran (2012 until 2021).**

5. **Fellow Member of The Academy of Sciences of the Islamic Republic of Iran (2022 until present).**
6. Representative of the Humanities Group in the Research Advisory Council of The Academy of Sciences of the Islamic Republic of Iran (2018).

Membership in Scientific Societies:

1. Member of the Academic promotion Committee, Yazd University (2015–2018).
2. Member of the Economics Group, Center for Practical Policy Research, Ministry of Science, Research and Technology (2017–2019).
3. Member of the Academic promotion Committee, Allameh Tabataba'i University (November 2018–Present).
4. Member of the Population Reform Committee, Ministry of Health (2019).
5. Member of the Centralized Student Economics Olympiad Committee. (2009 until 2021)
6. Member of the Theorizing Chair Council of the University (2005–2007).
7. Member of the Recruitment Committee, Allameh Tabataba'i University (Two terms).
8. Managing Director and Editor-in-Chief, Quarterly Journal of Economy and Society. (2006 until present)
9. **Editor-in-Chief, Quarterly Journal of Economic Research (2014 until 2017).**
10. **Managing Director of Quarterly Journal of Economic Research (2022 until present).**
11. Managing Director of Quarterly Journal of energy economics. (2021 until present)
12. Member of the Editorial Board of 10 scientific and research journals in various years.
13. Member of the Syllabus Revision Council at Allameh Tabataba'i University.
14. Member of the Specialized Economics Committee for Drafting the Comprehensive Scientific Map of the Country.
15. Member of the Planning and Expansion Committee of the Ministry of Science, Research and Technology related to the Field of Economics (Two terms).
16. Member of the Academic promotion Committee, Payame Noor University (2009).
17. Member of the Cultural Council of the Faculty of Economics.
18. Member of the Policy-Making Council, Iran Center for Economic Research (2003–2005).

19. Member of the Pathology Committee of Monetary and Foreign Exchange Policies of the Banking System, Supreme Audit Court.
20. Member of the Research Council of the Deputy of Economy, Ministry of Economic Affairs and Finance (2006–2011).
21. Member of the Islamic Economics Association.
22. Member of the Rural Development Association.
23. Member of the National Elites Foundation Committee (2 years).

Theorizing Chairs:

1. Promotional Chair titled "The Status of Iran's Exchange Rate System in Current Conditions", December 2012.
2. Critic of the Promotional Chair "Civilizational Religious Science and the Origin of Economics with an Islamic Approach", December 2015.
3. Critic of the Promotional Chair "Political Competition and Economic Growth", January 2015.

Awards and Honors:

1. Book "Introduction to the Economy of Iran": First Winner in Economics, Management, and Finance at the International Farabi Festival (2018).
2. Translation of the book "Microeconomics" by Walters & Layard: Winner of the Book of the Year translation of the Islamic Republic of Iran (1999).
3. Translation of Branson's "Macroeconomics": Selected as the Best Book by Institute of Jihad Daneshgahi (1995).
4. Translation of "Microeconomics" by Walters & Layard: Second Rank in the Book of the Year of Institute of Jihad Daneshgahi (1999).
5. Introduced as the Distinguished Economist to the National Congress of Iranian Economists by the Faculty Council via Letter No. 89/1344 B dated 2010/10/22.
6. Distinguished Researcher of Allameh Tabataba'i University in the years 1998 and 2010.
7. Distinguished Professor of Allameh Tabataba'i University in 2014.

8. Distinguished Professor and Selected Faculty Member of Allameh Tabataba'i University in 2019.

9. Top Researcher of the Faculty of Economics, Allameh Tabataba'i University in 2020.

10. National Distinguished Professor in 2020.
